PARKING AT TTPLAZA

Thanks to the new manager of TTP, Martine for coming along to let us know what was happening with the parking.

At this time, all of the parking out from Woolworths is now 90 minutes, thinks they start about 8:30 am, but wouldn't rely on that.

Parking is 5 hours on all sides of Myer, in the underground area out from Harris Scarfe, so still plenty of parking for us. It is exactly the same distance from out the front of the new food outlets as it is from Woolworths

ONLY IN AUSTRALIA

There are some odd laws out there but there are some even 'odder' ones I bet you didn't know exist.

For instance, did you know that if you ride up to your local pub on a horse the pub owner is obliged by law to stable, water and feed your horse while you go in for pint.

Some laws make sense at the time they are enacted but as society changes they might not fit with the current times. Below are eight of some of the weirdest Australian laws that still exist today.

When in drought don't try to make man-made rain clouds

Apparently Victoria doesn't want people taking the weather into their own hands. Under the Rain Making Control Act of 1967 it's against the law to make rain clouds.

2. Gold Coast bikinis must not exceed more than six square inches of material

If you want to show a little more flesh than what is allowed on Brighton Beach, try going to the Gold Coast.

3. Only qualified electricians can change a light bulb in Victoria.

Electricians could make a nice little side income if everyone followed this law in Victoria.

4. Stay away from a house frequented by thieves. It could get you in trouble with police in Victoria.

As the old saying goes you are judged by the company you keep. According to the [Vagrancy Act of 1966](#), the penalty for being near or inside a house used by thieves is one year imprisonment.

5. When there is no urinal nearby you are allowed to urinate on the rear left tyre of your vehicle

6. Fortune telling is against the law

You'd better think twice the next time you want to go and get your palm read. Under Sect 13 of the [Vagrancy Act 1966](#), any person who pretends or professes to tell fortunes using palmistry or any other kind of witchcraft to discover the location of lost or stolen goods may be found guilty of an offence.

7. Don't wear hot pink pants after 12pm on Sundays

Just in case you wanted to time warp back to the seventies forget it. According to Victorian law you can wear hot pink pants Monday to Saturday, but not Sundays.

8. It's against the law to touch electric wires that cause death

According to this law it's ok to get a bit singed by electric wires just make sure they don't electrocute you to death. Otherwise you could get fined \$200.

Irish Funnies

A coach load of paddy's on a mystery tour decided to run a sweep-stake to guess where they were going. The driver won £52!!!

Paddy's racing snail is not winning races anymore. So he decided to take-off it's shell to reduce it's weight and to make him more aerodynamic.

It didn't work, if anything it made him more sluggish.

Paddy finds a sandwich with two wires stickin out of it.

He phones the police and says "I've just found a sandwich dat looks like a bomb." The operator asks, "Is it tickin?"

Paddy says, "No I tink it's beef"

Paddy spies a letter lying on the doormat.

It says on the envelope 'DO NOT BEND '.

Paddy spends the next two hours trying to figure out how to pick the letter up.

Paddy's in jail. The Guard looks in and sees him hanging by his feet. What the hell are you doing" he asks.

"Hanging myself," Paddy replies.

"It should be round your neck" says the Guard.

"I know" says Paddy "But I couldn't breathe".
